INVITATION TO PUBLIC INPUT MEETINGS

The North Dakota Department of Transportation, in conjunction with the Upper Great Plains Transportation Institute (UGPTI), will be hosting a series of eight public input meetings across the state. The purpose of the meetings is to develop a consensus concerning the levels of service North Dakota's state highways and local roads should provide.

You are invited to attend one of the meetings. Each meeting will begin at 10 a.m. local time and will conclude by mid-afternoon. The meetings will afford you the opportunity to provide input and obtain information on how our road and street systems are performing. A list of the meeting dates and locations is attached, along with a registration form.

To maximize our time together we will have a working lunch. The lunch is being sponsored by a transportation coalition. **Pre-registration is required by March 26, 2010.** You can pre-register online at <http://www.ugpti.org/events/publicinput2010/> or by calling 701-231-7767.

A statewide conference will be held on May 17, 2010, at the Kelly Inn in Bismarck. This meeting will review the results of the UGPTI study and comments received at the eight public input meetings. Findings of the concurrent statewide transit study will also be presented.

I value your input and look forward to seeing you at one of the public input meetings. If you have any questions regarding the meetings, please call Jon Mielke who is with the UGPTI at 701-328-9865.
