The vehicles have lifts to help people board who can't negotiate stairs. Advance reservations are required. This service is to the door, with drivers available to assist the rider between the vehicle and building. MAT Paratransit does not provide emergency medical service.

## MAT Fixed Route Bus Service

In the Fargo-Moorhead metropolitan area, there are a number of buses that travel on predetermined or fixed routes on regular time schedules. This service is referred to as Metropolitan Area Transit or MAT and is open to the general public. To use the MAT Fixed Routes, you may need to travel to the bus stop, wait outside until the bus arrives, transfer between buses, recognize your destination, etc. All of the buses have wheelchair lifts or ramps.

Persons with disabilities who are able to travel on the MAT Fixed Routes are encouraged to do so and can ride for half fare, which is 60¢. To receive half fare, you must show the driver a Medicare card or Special User Card when you board the bus.

For MAT Fixed Route schedule information, call the Ground Transportation Center at 701-232-7500 between 6 a.m. and 10:15 p.m.

## Eligibility for MAT Paratransit

People with disabilities who are certified as "ADA Paratransit Eligible" may ride MAT Paratransit.

ADA refers to the Americans with Disabilities Act of 1990. The ADA Law requires that transportation services such as MAT Paratransit be provided to persons with physical and mental disabilities who are unable, because of their disability, to utilize fixed route bus service without assistance.

Qualification is based on the individual's functional capabilities rather than a specific medical diagnosis. Eligibility can be permanent, temporary, seasonal, conditional or transitional.

A "Special User Card" which indicates you are certified for MAT Paratransit is required in order to reserve a ride. Visitors to the community who are eligible can ride up to 21 days before they must apply for a Special User Card.

## How to Apply

Applications are available at the Fargo-Moorhead Transit Offices (refer to the back of this brochure for telephone numbers and addresses). Following receipt of a completed application and professional verification, processing of the application may take up to three weeks. Once approved, you will receive a Special User Card which indicates you are eligible for MAT Paratransit.

## Scheduling a Ride

- 701-235-4464
- 7-1-1 Relay (TDD only)

Call 701-235-4464 to reserve a ride. Office hours are 8 a.m. to 4:30 p.m., Monday through Friday. Reservations should be made at least one day prior to when the ride is needed and can be made up to 7 days in advance. Same day reservations will be accommodated as space allows.

Reservations will be taken through an answering machine on Saturdays, Sundays and holidays for next day service only.

The reservationist will assist you in reserving a pick-up time. The reservationist may schedule your trip at an earlier or later time to make more effective use of the MAT Paratransit vehicle. Changes from requested departure time of up to one hour may be required.

### The following information should be given to the reservationist:

- Name of each eligible passenger
- If accompanied by a personal care attendant and guest(s)
- Pick up and destination addresses
- Time you wish to arrive at destination
- Return time
- Trip purpose (only for subscription rides)
- If driver assistance is required
- Telephone number

## Scheduling Subscription Rides

If you need to ride regularly at the same time and to the same destination, you may request a subscription reservation. Subscriptions are limited in availability and are determined by MAT Paratransit. If you have a subscription, you will not need to call every week to reserve your rides. You will have to cancel your ride if your plans change. Subscription rides during peak demand times may be restricted to trips for work, school, meals and medical services. Waiting lists may be established. Consistently canceling your subscription ride may result in losing the reservation.

## Scheduling Return Rides

You should make a return reservation at the same time you make your reservation to be picked up for a non-medical ride. If you are dropped off at a medical appointment and expect to be done before 4:30 p.m. Monday through Friday, call the reservationist when you are ready to be picked up.

## Canceling Rides and Penalties

If your plans change, you should call to cancel your reservation.

**2 Hours**

Trips must be canceled at least **two hours** before the scheduled pick-up time or they will be considered a "no show" and subject to penalty. The next time you ride, you will be required to pay a fare for the previous no show ride. Four no shows during a four week period of time will result in a one-week suspension from service. Continuous violations of the no show policy can result in longer suspensions. Exceptions are made if the reason for the no show was due to the individual's disability or the vehicle arrived more than 15 minutes late for the scheduled trip.

If you don't show up for your ride, your prescheduled return ride will be automatically canceled. If you still need your return ride, you must call the reservationist to determine if space is available.

## Pick Up Procedures

When you call to reserve a ride, the reservationist will give you a scheduled pick up time. The vehicle may arrive anytime 15 minutes before or after your scheduled pick up time. You should be ready at the entrance with coat on and packages together. Generally, the driver will pull up to the curb and cannot pull into the driveway of a residential home.

**15 MIN.**

Upon arrival, the driver will sound the horn. The driver will wait *five minutes* for you to appear. If you do not appear, the driver can leave and it will be considered a no show. The driver is not required to enter the building to look for you, nor is the reservationist required to call and notify you that Paratransit has arrived.

## Driver Assistance

If requested, the driver will provide assistance to riders between the vehicle and the entrance of a building. Inform the reservationist that you need assistance when you make your reservation. If additional help is required beyond the main door, the rider should have a personal care attendant ride along or have someone meet them. The driver will not assist individuals in wheelchairs into buildings that are not accessible (except open the main door).

If requested, the driver will assist with one package per passenger. Space for packages is limited. Check with the reservationist before you carry on more than one package. Guests and Personal Care Attendants are expected to assist the passenger.

## Trip Denial

The driver may refuse to give you a ride at locations that are unsafe for either the passenger, driver or vehicle, including areas not cleared of snow.

Passengers who appear disorderly or are considered a safety threat to the driver or other passengers, including those under the influence of illegal drugs or alcohol, will be denied a ride.

## Personal Care Attendant (PCA)

If you are disabled and need a PCA to assist you either during the ride or at your destination, you must indicate this on your application. The Special User Card issued to you will then indicate that you need a PCA and the driver will allow them to ride free. The beginning and ending destination of the PCA must be the same as yours. The PCA must assist you during the entire trip.
