

PERMANENT ROUTE MODIFICATION

- MATBUS ROUTE 22 -

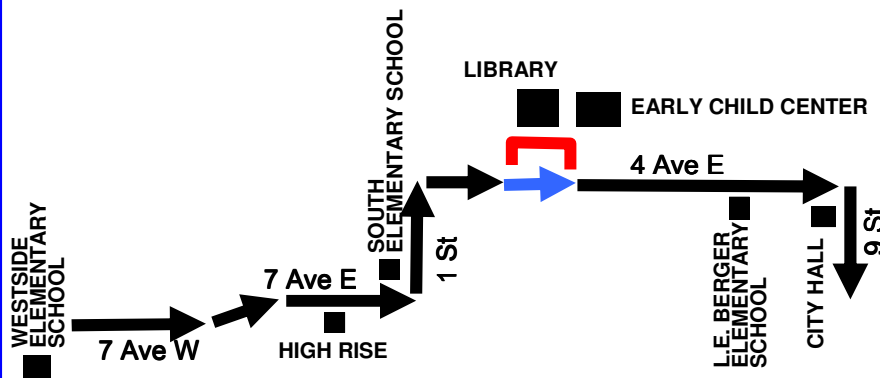

Effective on Wednesday, December 1, 2010, MATBUS will enact a minor, permanent modification to the route path / map of Route 22.

Route 22 will now travel west along 4th Avenue East continuously from 1st Street to 9th Street. *It will no longer make the Library and Early Child Center loop using 3rd Street and 3rd Avenue.*

Passengers who wish to travel to/from the Library or the Early Child Center will still be able to do so by boarding or de-boarding on 4th Avenue East and walking one block north.

This change (made in consultation with the West Fargo Government) was needed to assist the Route in operating on-time.

The line denoted in red (see above) is the area no longer served by Route 22.

The line and arrow denoted in blue (see above) is the modified path of Route 22.
