

# PROPOSED PERMANENT ROUTE 25 MODIFICATION

Due to concerns with timing issues, it is being proposed the loop south of 32<sup>nd</sup> Avenue South be eliminated effective January 1st, 2010.

Leaving K Mart, Route 25 would follow its existing route configuration to 33<sup>rd</sup> Street S., circle the apartment loop, exit on to 32<sup>nd</sup> Avenue S., then continue traveling west on 32<sup>nd</sup> Avenue S. to 42<sup>nd</sup> Street S., then north to West Acres – this would eliminate taking the loop past Fleet Farm south to 40<sup>th</sup> Ave S.

The return trip out of West Acres would also have Route 25 remaining on 32<sup>nd</sup> Avenue S. between 42<sup>nd</sup> and 33<sup>rd</sup> Streets S. Improving the timing issues on Route 25 will enable better transfers with routes at West Acres and K Mart ,and enhance service to the riding public.

A Public Hearing will be held on this issue on Monday, December 14th, at 5:15 p.m. at the City Commission Chambers in Fargo City Hall. To submit public comments regarding this route modification, please send an email to [transit@cityoffargo.com](mailto:transit@cityoffargo.com), or mail comments to Metro Area Transit, 650 23rd Street North, Fargo, ND 58102.
