Effective on Monday, November 22, 2010, MATBUS will enact a permanent modification to the timetable of Route 34. Route 34 will now have three frequencies per hour and operate from 7:44 a.m. to 5:00 p.m. Monday - Friday.

Due to a higher number of passengers (and the corresponding additional stops for boardings and de-boardings), this change is necessary to ensure the Route is able to operate on-time to provide reliable service to our passengers.

For those using the Niskanen transit shelter, this location will now be served by Route 13B in addition to Route 34 . Route 13B will be at the Niskanen shelter at :12 and :42 of each hour. This change will provide service to Niskanen earlier in the morning (beginning at 7:12 a.m.) and later in the evening (ending at 6:42 p.m.).
