## **MSUM, Concordia and M|State Students**

Effective immediately, MATBUS drivers will no longer accept college ID's from riders who are no longer students.

The colleges have given MATBUS a list of cards that are not current and will not be accepted by our fareboxes.

If you are a student that has recently re-registered, please contact the IT Dept at MSUM, Dining Services at Concordia or the Library at M|State They will issue you a new card.
