U-PASS PROGRAMS

NDSU, MSUM, and Concordia pay MAT fees to participate in the "U-Pass" program. The U-Pass Program provides unlimited free use of the Metropolitan Area Transit (MAT) system. The free rides are good on all routes at all times. MSUM and Concordia students, faculty, and staff are eligible for U-Pass benefits. The NDSU U-Pass program applies only to students (full- or part-time). U-Pass riders must show their current college ID to the bus driver as they board the bus.

NDSU pays full costs to operate the NDSU shuttles—Route 31 (on-campus circulator) and Route 32 (near-campus circulator). MSUM and Concordia College pay part of the cost for Moorhead evening bus service.

BIKE & BUS PROGRAM

All MAT buses have bike racks on the front to carry up to two bikes. The bike and bus program provides flexibility for passengers who wish to combine transit and bicycle transportation. Fargo and Moorhead have many wonderful bicycle trails for your transportation needs and recreational enjoyment. Brochures on the bicycle routes are distributed at the GTC. In order to use the Bike & Bus Program, you must first get a permit. This simply involves showing dispatchers at the GTC that you know how to put your bicycle safely on and off the rack. Racks are not available on Moorhead buses during winter months (November 1 - April 30).

HOW TO RIDE

HOW TO READ THE TIME TABLES

The major destinations on each route are printed on the top. Reading from left to right, find the destination point closest to you. Follow the column down to determine the time the bus will be at that particular location. Clocks may differ – **allow yourself an extra five minutes.**

WHERE THE BUS STOPS

The buses travel on specific routes which are shown on the map. Buses stop at corners or bus shelters along the route when passengers signal to the driver. Some exceptions apply. In downtown Moorhead, buses stop only at the shelters on Center Avenue. At the EasTen Mall, buses stop only at Cash Wise and K-Mart. Moorhead buses stop only at the GTC while in Fargo. Routes 1 and 2 only stop at designated bus stops, which are signed.

BUS STOP

HOW TO SIGNAL THE DRIVER TO STOP

X stand here (near corner) — Bus

Stand on the right-hand side near corner of the intersection closest to the lane traveled by the bus. Wave to the driver to let him know that you wish to board. A bus cannot stop in a right-turn lane unless the bus will make a right turn.

ON-BOARD COURTESIES

- Have exact change, token or pass ready before you board. Drivers do not carry change.
- Be careful when entering and leaving the bus, especially during inclement weather.
- Limit yourself to a maximum of two large packages.
- Allow senior citizens and persons with disabilities to sit in the front of the bus.
- Note that eating, smoking, drinking and playing music are prohibited on the bus.
- The use of threatening behavior or vulgar language will result in your being asked to leave the bus or GTC.

HOW TO EXIT THE BUS

One block before you wish to exit the bus, press or pull the bell-line located near the window. The driver will let you off at the next corner. Think "safety" — wait for the bus to move on before crossing the street.
